

Andrejs Sorstkins

Software engineer

Graubicu iela 9, Drelini, Latvia, LV-2130

Mobile: +371 27595578 Email: andrejs232@gmail.com Web-site: aswe.tech

My name is Andrey. I am European Union citizen and was born in Riga, Latvia. I am speaking on 3 languages. It is English, Russian and Latvian. I have started learning programming in 15 years old and I immediately realized that programming is the thing of my life. I have had several hobbies like gym, finance sciences and rock climbing. I am already have had experience in working in several companies like my last job in Arcona ltd. where I was front-end developer and designer

I am full stack web developer with 5 years of experience in IT. I am passionate about building excellent software that improves the lives of those around me. I have several years of experience in front-end development and work on back-end side with Node.js framework. I am using in development process the range of different technologies from basic HTML and CSS till single page frameworks like Angular with TypeScript, RxJs and Node.js with Express, also I have experience working in NoSQL database like MongoDB and in SQL databases like MySQL.
